

Detroit Engines

When Requested these running engines bottom ends are gone through and New Connecting Rod Bearings, Main Bearings, Thrust Washer, Front & Rear main seals, Oil Pan Gasket & Filters are replaced with New. The Engines are then cleaned and painted and then run Tested again.

NPD is now supplying Detroit 60 Series Ready Running Drop-in Engines. These Engines are available in Used & Semi-Reconditioned formats and include fuel system components & Turbo but less starter, alternator and fan assembly.

Please contact us with your Vehicle Identification Number (VIN) and Engine Serial Number (ESN) so we match up engines and get you the correct one.

Warranty Coverage

On-Road Complete Drop-In configurations:
6 Month/unlimited mileage long block coverage only.
